REQUEST FOR SIDEWALK ON EAST SIDE OF LAKEVIEW BLVD. BETWEEN THE BLAINE AND HOWE STREET STAIRS

We the undersigned request that the Mayor, City Council, and Seattle Department of Transportation find a way to install a sidewalk where one is missing on the east side of the 1800 block of Lakeview Boulevard (between the Blaine and Howe Street stairs). While the Neighborhood Street Fund should be considered for this purpose, other City funds should also be used if a retaining wall is needed for the safety of all.
