## PROBLEM SOLVING STRATEGIES

---

- **General**
  - Increase public education and awareness about data driven policing and crime reporting
- **Burglaries / Squatting**
  - Increase public education and awareness about burglaries to help residents and businesses prevent crime and deter criminal and nuisance behavior
  - Maintain vacant property owner contracts, vacant building trespass program, enforce based on vacant property contract
  - Conduct more safety, security, and CPTED assessments for homes and businesses by the SPD Crime Prevention Coordinator and the CPT
- **Car Prowls / Auto Theft**
  - Increase public education and awareness about car prowls to help residents and businesses prevent crime and deter criminal and nuisance behavior
  - Conduct some targeted patrols in alleys and around carports and other parking structures (esp. in the very early mornings: 0300-0500)
- **Homelessness**
  - Continue and increase outreach efforts to the homeless and other people in need in this area
  - Continue to clean up camps with the NAV team, SDOT, WADOT, MDOT and HSP crews and reach out to other services
- **Traffic Issues**
  - Conduct some targeted traffic enforcement emphasis around the TOPS school and adjacent neighborhood
