2.2 Restrictions on Activities.

- (a) The limitations in this Paragraph 2.2 apply to the Property and adjacent state-owned aquatic land. Licensee's compliance with this Paragraph 2.2 does not limit Licensee's liability under any other provision of this License.
- (b) Licensee shall not cause or permit:
 - (1) Damage to natural resources,
 - (2) Waste, or

- (3) Deposit of material, unless approved by State in writing. This prohibition includes deposit of fill, rock, earth, ballast, wood waste, refuse, garbage, waste matter, pollutants of any type, or other matter.

2.3 Conformance with Laws. Licensee shall keep current and comply with all conditions and terms of any permits, licenses, certificates, regulations, ordinances, statutes, and other government rules and regulations regarding its activities on the Property.

2.4 Interference with Other Uses.

- (a) Licensee shall exercise Licensee's right of entry under this Right of Entry in a manner that minimizes or avoids interference with the rights of State, the public or others with valid right to use or occupy the Property or surrounding lands and water.
- (b) Licensee and its agents, contractors, and subcontractors shall provide State with at least two (2) weeks' notice before commencing any Activities. Licensee shall promptly notify State of any modifications in the schedule.

- (b) Licensee shall not undertake, or allow others to undertake by Licensee's permission, acquiescence, or failure to act, activities on the Property or adjacent state-owned aquatic lands that:

- (a) Licensee shall immediately notify State if the Licensee becomes aware of any release or threatened release of Hazardous Substance on the Property.
- (b) If a Licensee's act or omission results in a release of Hazardous Substances, Licensee, at its sole expense, shall promptly take all actions necessary or advisable to clean up, contain, and remove the Hazardous Substances in accordance with applicable laws.

SECTION 6 ASSIGNMENT

Licensee shall not assign this Right of Entry.

SECTION 7 INDEMNITY AND INSURANCE

7.1 Indemnity.

"Damages to tangible property" includes, but is not limited to, physical injury to the Property and damages resulting from loss of use of the Property.
- (c) State shall not require Licensee to indemnify, defend, and hold State harmless for claims that arise solely out of the willful or negligent act of State or State's elected officials, employees, or agents.

- (d) Licensee waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold State and its agencies, officials, agents, or employees harmless.
- (e) Section 5, Environmental Liability/Risk Allocation, exclusively shall govern Licensee's liability to State for Hazardous Substances and its obligation to indemnify, defend, and hold State harmless for Hazardous Substances.
- (f) Licensee's obligations under this indemnity provision shall not exceed the appropriation authorized at the time Licensee must fulfill its indemnity obligations and nothing in this Right of Entry may be considered as insuring that Licensee will appropriate sufficient funds in the future to fulfill its indemnity obligations. Appropriated funds that are subject to this indemnity obligation include, but are not limited to, funds in the Licensee's self-insurance program and in the Judgment Claims Subfund (00126) established by Ordinance 124088, and future moneys appropriated for the same purposes.

Licensee shall provide to State evidence of its status as a self-insured entity. Upon request by State, Licensee shall provide a written description of its financial condition and/or the self-insured funding mechanism. Licensee shall provide State with at least thirty (30) days' written notice prior to any material changes to Licensee's self-insured funding mechanism.
 - (2) All self-insurance provided in compliance with this Right of Entry must be primary as to any other insurance or self-insurance programs afforded to or maintained by State.
- (b) Waiver.
 - (1) Licensee waives all rights against State for recovery of damages to the extent self-insurance maintained pursuant to this Right of Entry covers these damages.
 - (2) Except as prohibited by law, Licensee waives all rights of subrogation against State for recovery of damages to the extent that they are covered by self-insurance maintained pursuant to this Right of Entry.
- (c) Proof of Insurance
 - (1) Licensee shall provide State with a certification of self-insurance executed by a duly authorized representative of Licensee, showing compliance with insurance requirements specified in this Right of Entry.
 - (2) The certification of self-insurance must reference the Right of Entry number.
 - (3) Receipt of such certification of self-insurance or policies by State does not constitute approval by State of the terms of such self-insurance or policies.
- (d) Licensee must provide State no less than 30 days' notice if Licensee's self-insurance program is cancelled or materially reduced.
- (e) Adjustments in Insurance Coverage.

- (1) State may impose changes in the limits of liability for all types of insurance as State deems necessary.
- (2) Licensee shall provide a certification that meets the requirements of Section 7.2(c)(1) and demonstrates coverage in compliance with the Right of Entry within thirty (30) days after State requires changes in the limits of liability.

 - (1) Terminate the Right of Entry under Section 8, or

 - (3) The Parties shall use any self-insurance or other insurance proceeds payable by reason of damage or destruction to property first to restore the real property covered by this Right of Entry, then to pay the cost of the reconstruction, then to pay the State any sums in arrears, and then to Licensee.

7.3 Insurance Types and Limits.

- (a) General Liability Insurance.
 - (1) Licensee shall maintain self-insurance with a limit of not less than Two Million Dollars (\$2,000,000) per each occurrence and an aggregate limit of not less than twice any limit established for each occurrence.
- (b) Workers' Compensation.
 - (1) State of Washington Workers' Compensation.

Coverage must include bodily injury (including death) by accident or disease, which arises out of or in connection with Licensee's use, occupation, and control of the Property.
 - (ii) If Licensee fails to comply with all State of Washington workers' compensation statutes and regulations and State incurs fines or is required by law to provide benefits to or obtain coverage for such employees, Licensee shall indemnify State. Indemnity shall include all fines; payment of benefits to Licensee, employees, or their heirs or legal representatives; and the cost of effecting coverage on behalf of such employees.
 - (2) Longshore and Harbor Workers' and Jones Acts. Longshore and Harbor Workers' Act (33 U.S.C. Section 901 *et seq.*) and/or the Jones Act (46 U.S.C. Licensee shall ascertain if such insurance is required and, if required, shall maintain insurance in compliance with law. Licensee is

responsible for all civil and criminal liability arising from failure to maintain such coverage.

(c) Employers' Liability Insurance.
