NEWS

The EASTLAKE COMMUNITY COUNCIL casts a hearty 'welcome' to the Eastlake neighborhood to join us in a neighborhood potluck dinner on Tuesday, October 18 at 6:00 p.m. The location will be at the Seward Public School's 'Historical Landmark' Cafeteria. Enter on Louisa St.,  $\frac{1}{2}$  block west of Boylston Ave. E. Bring your favorite dish (and serving spoon) or beverage. (There is an oven, refrigerator, and sink available for our use.) This is the neighborhood's first potluck gathering since last June's annual pot-luck dinner. Since they've been so well received, we are planning one for each of our alternate-monthly meetings scheduled this year. Stop by for a bite and 'jaw' a bit with your fellow Eastlakers. It's fun, informative, and best of all...CHEAP!!! SEE YOU THERE!

### NEW CONSTRUCTION PROJECTS IN OUR NEIGHBORHOOD

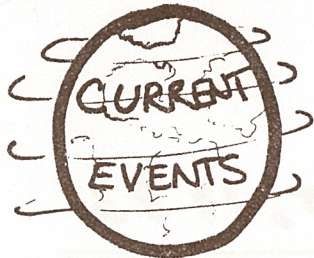

2012 EASTLAKE E. Proposed are 20 condominium Units in 2 buildings. 3 existing residences will be demolished and 2 buildings built with parking underneath for 17 cars and 2 on the alley. Objections were voiced at the Hearing August 22nd about the parking and size of the project, but were overuled by the Hearing Examiner. Since there is no parking on Eastlake this project will need a lot of ingenuity from future condominium owners who have two cars plus visiting friends.

2045 EASTLAKE E. Construction is proceeding to rehabilitate the existing brick building and provide a new office building on the alley for Architect/Owner George Suyama. There will be Food Service with outdoor dining, and 750 sq. ft. available to rent.

2329 YALE E. Proposed are 9 apartment Units in one building. One existing residence will be demolished to utilize an existing vacant hillside lot. The parking is very well handled with 13 car stalls, all entering from the alley. This is a smaller number of units than allowed by Code and  $1\frac{1}{2}$  times the parking required, which is an outstanding example for the neighborhood.

2364 FAIRVIEW E. Proposed are 10 Townhouse Units in 4 buildings with garages. Parking and access to the project seem to be causing problems here for neighbors around the property. Duples dwellers to the East will be losing their spacious rear yards and view. Fairview will have added traffic at easement driveway to the project.

E.C.C. BOARD ELECTIONS:

Welcome the Eastlake Community Council's new Board Members and Officers for the 1983-1984 year. Congratulations!!
