

**ALLOCATION OF HOUSING, PARKS FUND**

**Suggestions sought**--As a part of the June 1991 settlement of our case over the Eastlake Center II building, Blume Eastlake Limited Partnership is scheduled to pay \$30,000 by June 1, 1992 to a "nonprofit organization or organizations designated by ECC, whose purpose is the improvement and/or acquisition of park property or the development or acquisition of low income housing." The two organizations that have so far been suggested as recipients of these funds are the Olmsted-Fairview Park Commission and the Eastlake Community Land Trust. The ECC board welcomes your comments, and any suggestions on other organizations that should be considered. Please write to Park and Housing Grants, c/o ECC, 117 E. Louisa #1, Seattle 98102.

**CLEAN UP IN EASTLAKE**

During the week of April 18 to 26, Mayor Rice is again sponsoring Spring Clean, when citizens clean up the public places in their neighborhood with the

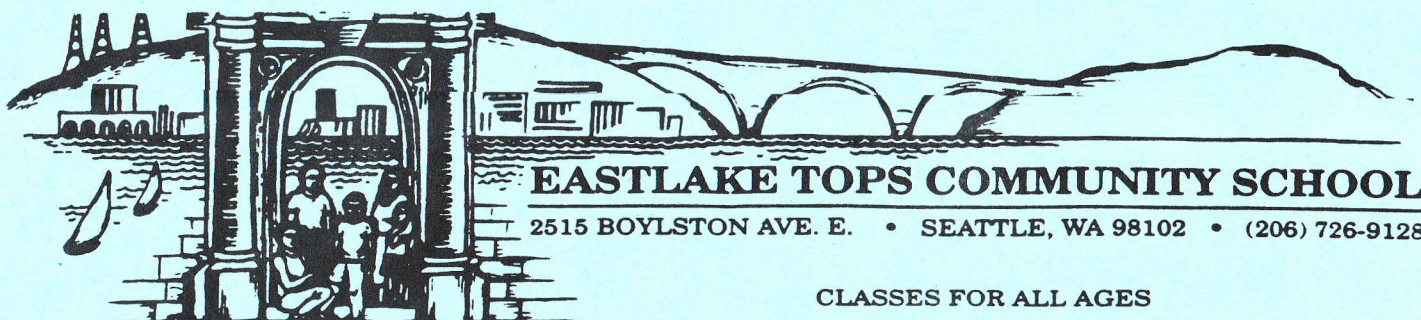

help of City litter bags and free hauling. Eastlake's parks and shorelines are particularly in need of care. Would you help coordinate this event, or take responsibility for a particular site? Write us at Spring Clean, c/o ECC, 117 E. Louisa #1, Seattle, WA 98102.

**VOLUNTEERS NEEDED FOR ORAL HISTORY PROJECT**

Would you contribute a few hours of your time to record and transcribe fascinating interviews with Eastlake's pioneers, some of whom have lived here since before 1920? Please write to the ECC History Project at 117 E. Louisa #1, Seattle 98102.

**PEREGRINE FALCON CHOOSES EASTLAKE EYRIE**

Birders from all over the city have joined local residents and employees in welcoming a rare peregrine falcon to a utility pole near the far northern section of Fairview Ave. E. The only dissenters have been a growing number of pigeons and their next of kin.

**EASTLAKE TOPS COMMUNITY SCHOOL**  
2515 BOYLSTON AVE. E. • SEATTLE, WA 98102 • (206) 726-9128
